Room 4's Got Talent

Well done to those who shared their talents on Friday. Mrs Palmer reported some amazing stars. This Friday will be the Grand Finale for you to share your talent.

What's your talent?

A magic trick?

A song?

A dance routine?

A poem?

A play with a small group?

A sporting skill?

A story?

Play an instrument?

Bring your best along to Room 4's Talent Show.

You could be New Zealand's next star.

MATHATHON

All money in this week please.

Matariki is a time to reflect on the year that has been, and set new goals to work towards in the coming year. Think carefully on the areas below and choose some things you'd like to focus on.

1. School – what would I like to achieve with my learning before the end of the school year?
2. What key competency would I most like to strengthen and why? I can choose from:
 - Thinking
 - Relating to others
 - Using language, symbols and texts
 - Managing self
 - Participating and contributing.
